## **Sam Houston High School awaits TCU Community Scholars announcement**

ARLINGTON, Texas, March 31, 2017 – Select Sam Houston High School seniors will be awarded a \$250,000 TCU Community Scholars scholarship in a surprise visit to the campus on Tuesday.

The school had five TCU Community Scholars last year. The surprise notification of the \$250,000 scholarship – which will finance four years of undergraduate studies – for this year's recipients will begin at 10:45 a.m. on April 4, 2017, at Sam Houston, 2000 Sam Houston Dr., Arlington.

Sam Houston is one of 11 area schools that participate in the TCU Community Scholars Program, and this year 40 scholarships will be awarded to students who must go through the normal application process for admission to TCU, plus complete extra essays and interviews to be accepted into the program.
